HOW TO USE THE SUBJECT CATALOG

This catalog is arranged alphabetically by subject headings compiled from the Library of Congress Subject Headings and Ulrich's International Periodicals Directory. Under each subject are listed the periodical holdings of the subject departments of San Francisco Public Library, Main Library, Civic Center; and Business Branch, 530 Kearny Street. Unique foreign titles held by the Mission Branch and the Chinatown Branch are also included. If a title is available in more than one of these locations, an entry has been made for each location.

Immediately below the title, the place of publication is given. This is followed by the holdings statement. Just to the right of the title you will find the name of the subject department in which that periodical is located. Below the department name is the call number, if any.

The filing sequence of the subject headings is as follows:

ART	(single word)
ART-GALLERIES AND MUSEUMS	(subdivision with dash)
ART-STUDY AND TEACHING	(subdivision with dash)
ART, ECCLESIASTICAL	(subdivision with comma)
ART AUCTIONS	(word phrase)
ART INDUSTRIES	(word phrase)

Holdings statements are brief, with no abbreviation for "volume" before the volume numbers, and with months abbreviated to two letters. If the publication is in any medium other than paper, e.g. microfilm, this is indicated. An explanation of the symbols and abbreviations used in the catalog is given on page ii. The statement "CIRCULATING ISSUES ALSO AVAILABLE" means that issues of the past 6 months may be circulated. Where no holdings statement is shown, it should be assumed that the title is on order, and that you may check with the subject department to see whether issues have arrived.
